Twenty-four participants, most of them recently-elected financial secretary-treasurers, recently attended the second FSTs' Seminar of the year in Omaha, Nebraska.

The two-day seminar was held September 25-26, 2007. It is conducted by members of International Secretary-Treasurer Danny Biggs' department. The course provides comprehensive training in all aspects of TCU membership and financial record keeping, including filing of TCU and government reports.

Key speakers at the seminar included IST Biggs who reviewed the health and welfare provisions of the national agreement with the group and International Vice President and National Legislative Director Bob Davis who brought everyone up to date on the legislative activities of the union.

There will be two more FSTs' Seminars this year:

- Rockville, Maryland – October 16-17
- Southern California (LA Area) – November 7-8
