The Chicago District Council would like to invite our members to the Chicago District Council Annual Golf Outing at Silver Lakes Country Club.

Proceeds will go to a Veterans Program, Machinists Non-Partisan Political League, and the Chicago District Council.

The Chicago District Council is a group of Railroad Union members who have come together to support our Union through common goals and to protect and promote the integrity of its trade, by reaching out to members in the Chicagoland areas.

So, come join us September 9th for a round of golf, food, and prizes at Silver Lakes Country Club in Orland Park, IL. Be there at 10 AM to get your tee time. Any questions about the outing should be directed to Keith Schlamadinger at (574) 806-6513
